MARCH 2010

....where good food is a family tradition !

We want to help you bring dinner time home again. SAVE TIME, EAT WELL, SPEND LESS and eliminate the hassles of meal planning, grocery shopping, preparation, and clean-up! Get them fresh cooked or frozen. My points meals are for dieters...low carb & low fat.

Drive thru and get your family's "ready to eat" favorite healthy meal ! Throwing a party or planning a business meeting or need a large casserole or whole cake or pie, just give us a call and we will get it ready. If you have special diet needs or have a special favorite recipe, we will do that, too. Just give us a call...

From our kitchen to your table....
 Mike Bone and Connie Bone
